

NUTSHIMIT

Teacher's guide

Comprehension (questions about the text)

- How many Indigenous peoples are there on the land called Canada? Can you name two?
- What is one of Melissa's favourite trees?
- What activity do Melissa and her children do using the bark of this tree?
- Which animal is an important character in Innu stories?

Did you know that this animal loves to eat? It's got a voracious appetite! It's fierce, aggressive and tenacious. It is shy and likes to be alone, but it can cover dozens of kilometres a day hunting.

- Which conifer has long needles in clusters of 3 to 5?
- What is Pipun?
- What is its symbol? (in Innu and English)
- What is the main benefit of phytoncides?

What does Melissa's grandfather's name mean?
