DIY YOUR PARTY! CARDBOARD HEARTS

Collage a heart with words, art, and creative decorations.

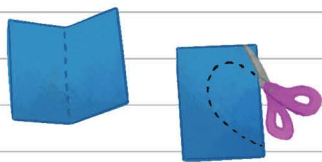

WHAT YOU'LL NEED

- Paper and cardboard
- Pencil
- Scissors
- Paint or markers
- Glue
- Any fun supplies you have, like beads, buttons, or stickers

GET STARTED

1. Fold a paper in half. Draw a half-heart shape. Cut along the line.

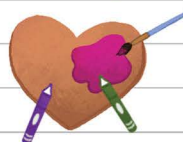

2. Unfold and trace the heart shape on cardboard.

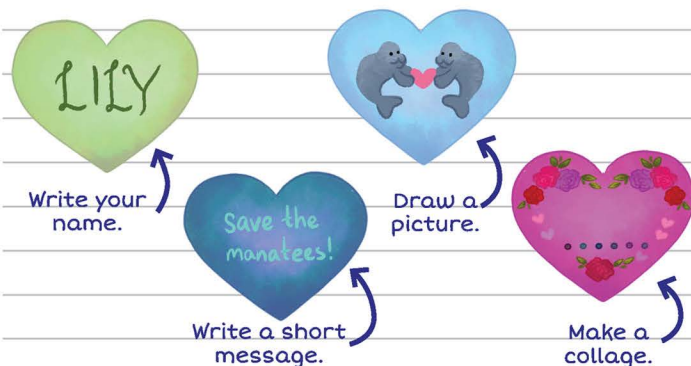

3. Cut the heart shape out of cardboard.

4. Color your heart with paint or markers.

5. Decorate your heart. Glue decorations or add designs to make it look the way you want. Get creative!

PARTY TIME

Display your cardboard heart—or share it with someone special.
